

ABOUT US

DNE Group was incorporated in the year 1999 by Mr. Vincent Duar and later in year 2000, joined by Mr. Peter Wong as partner and group general manager. Both Mr. Vincent Duar and Mr. Peter Wong has an accumulated experience in the logistics industry for more than 38 years.

DNE Group started its business as a dedicated custom broker house with strong support from a few key customers and today DNE Group has evolved into a total logistics service provider handling all aspect of the logistic supply chain, from supplying pallets right to project management.

CORPORATE MISSION

To become a totally integrated agency providing the total logistics needs of our customers and achieving absolute quality services by harnessing every employee's & vendor's commitment customer's total satisfaction.

Quality Statement

- * Understanding and fulfilling the need and expectation of the customers.
- * Preventing delivery of non-conforming services to the customers.
- * Encouraging quality improvement initiatives at all levels within the business.
- * Improving the productivity and work satisfaction of the personnel.
- * Extending the quality performance of our contractors through regular and constructive interactions.

"In DNE, we endeavor to constantly push our services to the next level by applying innovative solutions that makes breakthrough in customer experience and logistics solutions."
– Peter Wong, CEO, DNE GROUP

LIST OF SERVICES

Custom Broking

We are licensed to clear freight at Northport and Westport. Our focus on compliance with Customs regulations helps to reduce cargo delays and costs associated those delays-Unlike many door-to-door providers DNE Logistics was founded as a Customs Brokerage house and has the experience to increase your compliance rates with Customs. Although this is the smallest part of the journey it is the most important factor facing your shipments. You should put your trust in a company with over thirty years experience at solving customs problems, you can be assured of meeting your deadlines

- licenced and registered custom broker
- full compliance with custom regulations
- good reputation with customs
- reduce cargo delay
- reduced cost
- trusted & experienced

Haulage & Transport

DNE is supported by one of the best haulier companies in the market and always review the best haulier to suit customer requirement and same time supported by own fleet.
